**G (2)**
To a lonesome dark-eyed beauty
**Bm (2)**
On a far-off avenue
**Em (2)**
I woke from a dream late last night
**G D**
And wanted to tell you
**G (2)**
When you're feelin' lonely
**Bm (2)**
When the walls around you break
**Em (2)**
When you need someone to help you
**G D (2)**
Heal the ache within your ache

**Chorus**
**C (2) G (2)**
Oh, let me feel your thunder
**C (2) D (2)**
Oh, let your raindrops fall
**C (2) Em (2)**
It's not a cloud, this feeling that I'm under
**Am7 (2) D D (hold)**
Maybe we'll see rainbows after all

**G (2)**

Will you come to me in rhythm
**Bm (2)**
Will you come to me in rhyme
**Em (2)**
Will you take me on a journey
**G D**
Through the netherworlds of time
**G (2)**
Will you let me climb your mountain
**Bm (2)**
Can I swim beneath your sea?
**Em (2)**
Will you let me enter deep within
**G D**
Your own infinity?
**G (2)**
Will you bring me to your altar,
**Bm (2)**
When the evening sun goes down,
**Em (2)**
Where the poets weep and angels wait,
**G D (2)**
Underneath your wedding gown...

**Chorus**

**G (2)**
Will you touch me with your midnight,
**Bm (2)**
Will you speak to me in tongues,
**Em (2)**
Will you take me to your garden,
**G D**
When the time for moonlight comes?
**G (2)**
Will you offer me resistance,
**Bm (2)**
Will you laugh and turn me in,
**Em (2)**
When the echoes of my fingers,
**G D**
Cross the borders of your skin?
**G (2)**
Will you hold me in the ether,
**Bm (2)**
When I kiss your sacredness,
**Em (2)**
Will you still believe me when I untie
**G D (2)**

All the ribbons on your dress?

**Chorus**

**|G———|————|Bm———|————|**
**|Em———|————|G———|D———| 2x**

**G (2)**
You don't have to be specific,
**Bm (2)**
You don't have to be immense
**Em (2)**
You don't have to mount
**G D**
Or circumvent an NFL defense
**G (2)**
Will you stop and turn your back on
**Bm (2)**
The offerings I give
**Em (2)**
Will you smile and turn and show me
**G D**
Secret places where you live
**G (2)**
Will you lead me on a voyage,
**Bm (2)**
Will you take me on a trip,
**Em (2)**
Through the back roads and the highlands
**G D**
'Round the landscape of your lips?
**G (2)**
Will the palace doors be open,
**Bm (2)**
Will you offer me the key?
**Em (2)**
Will you leave it just outside
**G D (2)**
The moonlit garden gate for me?

**Chorus**
