--

**D (6)**  
 From this valley they say you are going

**A7 (2)**  
 We will miss your bright eyes and sweet smile

**D (2)** **G (2)**  
 For they say you are taking the sunshine

**A7 (2)** **D (2)**  
 That has brightened our pathways awhile

<p><b>Chorus</b></p> <p><b>D (6)</b>          Come and sit by my side, if you love me</p> <p><b>A7 (2)</b>          Do not hasten to bid me adieu</p> <p><b>D (2)</b> <b>G (2)</b>          Just remember the Red River Valley</p> <p><b>A7 (2)</b> <b>D (2)</b>          And the cowboy who loved you so true</p>
--

**D (6)**  
 I've been thinking a long time, my darling

**A7 (2)**  
 Of the sweet words you never would say

**D (2)** **G (2)**  
 Now, alas, must my fond hopes all vanish

**A7 (2)** **D (2)**  
 For they say you are going away

**CHORUS**

**D (6)**

They will bury me where you have wandered

**A7 (2)**

Near the hills where the daffodils grow

**D (2)**

**G (2)**

When you're gone from the Red River Valley

**A7 (2)**

**D (2)**

For I can't live without you I know

**CHORUS**
